PHOTOGRAPHY STUDIO INTERN
Spring Semester 2023

Do you love photography? Become an integral part of an exciting, ongoing project to share the diverse and fascinating art collection of the Johnson Museum of Art with the world. Help us to extend the reach of the museum to a global audience via high-quality digital imaging of the collection.

DUTIES WILL INCLUDE:

- Assisting in studio lighting and photography of art objects
- Working with the photographer to facilitate smooth workflow processes
- Color-correction and retouching
- Assisting the photographer in moving art objects to and from the digital studio
- Helping to maintain records of images produced by the digital studio
- In-gallery photography
- Other duties as assigned

QUALIFICATIONS NEEDED:

- Strong interest in photography (photography training and/or experience preferred)
- Working knowledge of Mac OS
- Working knowledge of Adobe Lightroom and Adobe Photoshop
- Focus and attention to detail
- Strong communication skills
- Punctuality, reliability, and organization
