## Learn with Us: Virtual Lessons

The Johnson Museum can come to you! Using Zoom video conferencing a Museum educator will provide a Museum-themed lesson in real time (each session lasts 30–45 minutes). To arrange for your program please begin by emailing **Carol Hockett** at [cih2@cornell.edu](mailto:cih2@cornell.edu).

*These sessions are designed for families, homeschool groups, and learning pods:*

### Excavating Ancient Egypt

Learn about mummification and explore objects from ancient Egypt, including a worker figurine and amulets that would have helped to provision the deceased for the afterlife (*appropriate for ages 10 and up*).

### The Many Faces of Masks

From the fierce face mask of a Japanese samurai to the quiet elegance of a Japanese noh theater mask, participants will explore four different masks from around the world (*appropriate for ages 5–8*).

### Build Your Own Museum

Share a treasured object from your personal collection and learn about how museums collect and care for objects (*appropriate for ages 5–8*).

### Four-Footed Friends

Explore cats and dogs depicted throughout the collection, from ancient Egyptian cats to Japanese netsuke puppies. Then share a picture of your own pet! (*appropriate for ages 5–8*)

## Museum Menagerie

Meet sea monsters, seven-headed snakes, and shape-shifting dragons. Keep paper and pencil handy—this 30-minute session includes a dragon-making activity! (*appropriate for ages 5 and up*)

## Face to Face

Strike a pose and learn about Museum favorites like the Walking Man and the Goose Girl in this interactive live session. Then grab your art supplies for a lesson on drawing portraits (*appropriate for ages 5 and up*).
